

想来伦敦学艺术？可别错过伦艺附中的暑期学校！

国际创意艺术学校

成立于 2009 年，国际创意艺术学校（ISCA，即伦敦艺术大学附属高中）与伦敦艺术大学有着紧密的合作关系，如今已发展成为一所为准备申请艺术设计类大学本科级别的学生开设的全日制寄宿学校。

2018 年 ISCA 暑期学校

2018 年 ISCA 暑期学校时长两个星期，在广泛和令人兴奋的主题中，学生们会接触到多种创意和文化机会。学生将由有经验的 ISCA 导师通过一系列动态的艺术和设计作业来进行指导。在美术、时尚和图像传播等主题领域，还会引进和开发工作的技巧和风格。

The ISCA Summer School 2018 comprises two weeks of creative and cultural opportunities working under a broad and exciting theme. Students will be guided through a series of dynamic art and design assignments by experienced ISCA tutors. Skills and styles of working are introduced and developed within the subject areas of Fine Art, Fashion and Graphic Communications.

在这个过程中，学生们将参观一些英国最负盛名的博物馆和最著名的地标建筑，这些都会提供重要的研究起点和启示。我们希望学生不仅发现新的创造性天赋，还经历丰富的文化体验。在整个课程中，学生可以参加英语课程以支持他们的学习，提高他们的沟通能力。

During the course, students will visit some of the country's most prestigious museums and best-known landmarks and these provide important research starting points and inspirations. Our hope is that students will discover not only new creative talents, but also a wealth of cultural experiences. Throughout the programme, students can attend English language lessons to support their studies and improve their ability to communicate.

除了学习新技能，学生还将更好地了解英国教育系统是如何教授艺术和设计课程的。

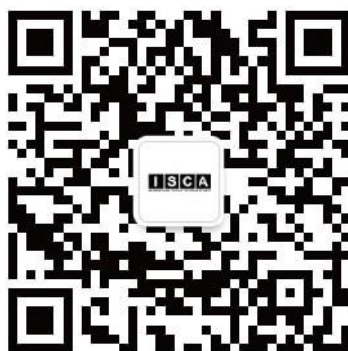

As well as learning new skills, students will also gain a greater understanding of how art and design is taught in the UK education system.

Student Testimonial 学生感言

在 ISCA 我学习了纺织，平面设计和商业研究的 A-Level 课程。我觉得在 ISCA 的学习让我真正了解了如何学习学位课程。在香港，艺术教育的重点在于技巧，而在 ISCA，我学会了如何处理我的想法，并将其实现。我还发现在中央圣马丁通过 ISCA 提供的 Foundation Plus 课程是一个很好的尝试，给予我们尝试许多不同领域的机会。这一课程与我 A-level 学习结合得很好，这意味着我能非常顺利地学习学位课程。今年夏天，我获得了中央圣马丁的美术学士学位。

At ISCA I studied for A-Levels in Textiles, Graphic Design and Business Studies. I feel that studying at ISCA gave me a real idea of how to study at degree level. In Hong Kong, art education focuses on skills, whereas at ISCA I learned how to process my ideas and bring them to life. I also found the intensive Foundation Plus course

offered through ISCA at Central Saint Martins was a great opportunity to try many different areas. It combined well with my A level study and meant I had a very smooth progression onto the degree course. This summer I graduated with a BA in Fine Art from CSM.

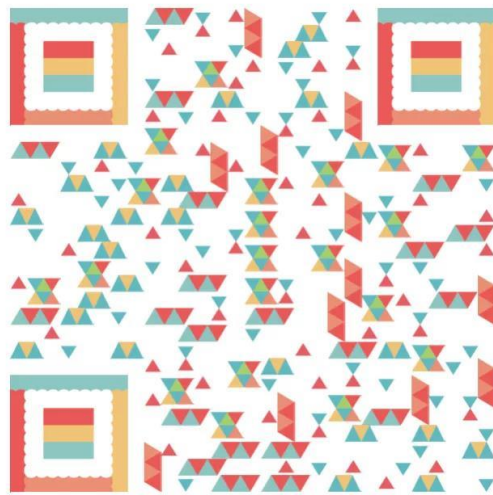

那里的导师对我们非常支持，设施也令人惊叹，与其他有才华、有动力的学生一起学习和工作真是太棒了。课程提供了四种不同途径的学习机会，我选择了3D。学生们也有机会在伦敦的画廊展出。我的作品入围了2014年彭博新当代作品，我最近还赢得了全国公开艺术比赛，作品将在萨默塞特宫展出，我也很荣幸自己的作品能成为皇家阿尔斯特学院第133届年度展览的一部分。我的作品还在一个在伦敦和纽约拥有活跃用户的在线画廊“艺术：策展人”上展出。

The tutors there were incredibly supportive, the facilities amazing and it was great to work with other talented and motivated students. The course offered the chance to specialise in one of four different pathways, and I chose 3D. Students were also given the chance to exhibit in galleries in London. My work has been shortlisted for Bloomberg New Contemporaries 2014, I am about to be exhibited at Somerset House as I recently won the National Open Art competition, and I am honoured to be part of Royal Ulster Academy's 133rd Annual Exhibition. I am also represented by an online gallery called 'art:i:curate' which is relatively active in London and New York.
